

Atmos Natural Gas Residential Energy-Efficiency Programs

A Publication Of The Missouri Public Service Commission

If you are a residential customer of Atmos Energy Corporation (Atmos), you may be eligible to participate in programs that promote the efficient use of natural gas and lower customers' bills.

Here are the programs that are currently available to Atmos natural gas residential customers:

MISSOURI HIGH-EFFICIENCY SYSTEM REBATE PROGRAM

This program is sponsored by Atmos, and provides rebates of up to \$450 for Residential customers who purchase and install Energy Star-rated furnaces or Combination Heat/Water Heat (Boiler) equipment. To learn more about this program, or to obtain rebate forms, go to www.atmosenergy.com, and click on the 'Special Programs for Missouri Customers' link, located toward the bottom of the page.

You can also call your local Atmos Energy office, or the Program Administrator, EFI, Toll-Free at (877) 333 - 9965.

DEPARTMENT OF ENERGY WEATHERIZATION ASSISTANCE PROGRAM

This program is available to households whose income is less than 150% of the current Federal Poverty Guidelines. Participants in the program will first receive a thorough no-obligation energy analysis of their home or apartment. Using the results of the analysis, cost-effective efficiency measures will be identified and installed by professionals. This is all done at no cost to the household.

To learn more about the Weatherization Assistance Program, contact your local Community Action Agency. If you do not know how to contact your local Community Action Agency, call 2-1-1 for the contact information.
